

THREE RIVERS RAMBLER
Departing from Volunteer Landing
in Downtown Knoxville, Tennessee

THE TRAIN RIDE

Guests aboard the excursion train enjoy a ninety minute trip along the Tennessee River. Beginning the journey in Downtown Knoxville, the Rambler travels past historical sites to the "Three Rivers Trestle" where the French Broad and Holston Rivers join to form the Tennessee River.

The Three Rivers Trestle

Along the route, the Three Rivers Rambler passes by beautiful farmland, Knoxville's first settlement area, and several quarries that were mined to build our nation's Capital. The uniformed conductor and volunteer staff are well-versed in the local history and welcome questions during the 90 minute 11-mile trip.
