- A thin black line connects each location on the map with a colorful list of features.  
For example, look in the green stripe to see if the location includes a **Workout room**.
- If one location doesn't have the features you want, search for another that does.  
NOTE: Each colored stripe surrounding this map contains one kind of feature.
- The address is shown below the location's name.  
NOTE: Use the address on MapQuest.com, Maplist.com, Maps.com, etc. to generate detailed driving directions.
